A. Introduction to Ontology: History, Context & Basic Concepts   (IntroOnto101)
B. Intro to Ontology Development: Contemporary Ontology Dev.   (OntoDev101)
C. Logic & Ontology   (OntoLogic)
D. Definitions in Ontology   (OntoDef)
E. Intro to Specific Ontologies
F. Myths of Ontology Development   (OntoMyth)
G. Ethical Ontology Development   (OntoEthic)
H. Bespoke course

Courses in Ontology

General Course Information

- **Format**:   bespoke
  - ✓ Video conference, screen sharing
  - ✓ On-site (customer must provide venue)
  - ✓ Please indicate if you have specific areas of interest.
  - ✓ Books on the subject available to the customer.

- **Cost**:   please contact (rrovetto@terpalum.umd.edu)

About Instructor: ontologist, knowledge modeler, philosophy

rrovetto@terpalum.umd.edu

Introduction to Ontology & Ontologies: History & Context

- A brief (non-exhaustive) overview of the meanings, history, context and generic concepts of ontology

- (IntroOnto101)

rrovetto@terpalum.umd.edu

Intro to Ontology Development: Contemporary Computational Ontology Dev.

- A brief introduction to the design and development of ontologies
  - Conceptual considerations
  - Methodologies
  - Tools
  - …

- (OntoDev101)

rrovetto@terpalum.umd.edu

Myths of Ontology Development   (OntoMyth)

- Describing and clearing up a set of misconceptions, inaccuracies, or falsities in contemporary computational ontology

rrovetto@terpalum.umd.edu

Intro to Specific Ontologies

- A brief overview of selected computational ontologies

- **Bespoke**: please indicate if you have specific interests

rrovetto@terpalum.umd.edu

Logic & Ontology   (OntoLogic)

- A brief discussion of the relationship between symbolic logic and ontology

rrovetto@terpalum.umd.edu

Definitions and Ontology   (OntoDef)

- A brief discussion about the role of definitions in ontology, and some forms of them

rrovetto@terpalum.umd.edu

Ethical Ontology Development　　(OntoEthic)

- A brief discussion about ethical considerations when developing or using ontologies.

- Is related to the course, Myths of Ontology Development.
